Community Safety Consultants EMT Refresher Programs

Welcome to Our Program!

Our mission is to train individuals to save lives. We strive to achieve this goal by using the best learning atmosphere with a multimedia approach for educating our EMTs. Students will be given the opportunity to use field equipment for various interactive scenarios. These scenarios are based on real life situations which will help you recognize the different types of life threatening emergencies. We have a talented team of educators who have extensive backgrounds in Emergency Medical Services. Community Safety Consultants we challenge our students to be the best providers to serve their communities.
